

2330 BROADWAY, DENVER, CO 80205

PROPERTY DESCRIPTION

The Broadway Plaza Lofts building at 2330 Broadway Street, Denver, CO 80205 was newly constructed in 2005. The Broadway Plaza Lofts building is a multifamily building with over 200 residential units, with the commercial suites located on the first floor. These Office/Retail suites located in one of the best areas of the downtown Denver Metro have great foot traffic and are conveniently located walking distance from Coors Field and many restaurants in the LoDo, RiNo, and Five Points areas of downtown. Also only a short walk from Denver public transit. Each suite has great natural lighting and wall to wall windows facing the street. Each suite also has its own individual climate control, and they are all wired for fiber optic internet use, to satisfy a high volume of users in one space. The two larger suites come equipped with extra storage and have their own office kitchens. Commercial tenants are given access to the 9th floor Community Room/Conference Room with panoramic views of the mountains and the city. Commercial tenants will also be allowed access to the on-site workout room, which includes lockers and showers. There is secure garage parking for vehicles and bikes as well as plenty of street parking. Great signage opportunities with visibility from Broadway.
